# SPEAKER BIO

Michael Gamerl  
*Associate Vice President*  
The Princeton Review, International

Michael started his career with The Princeton Review teaching SAT classes in Southern California. Over the years, he added ACT, GMAT, GRE and LSAT to his repertoire and is also a Master Trainer for SAT, GMAT and GRE. Born in Japan, he grew up in California and studied Economics at UC, Irvine and got his Masters at the London School of Economics.

After managing the Southern California office, he went to become the Regional Vice President of the Western United States for The Princeton Review. With over 26 years of experience in the education industry, Michael has personally gone through six changes to the SAT and is a certified Master Trainer for the New SAT. The Princeton Review operates in over 50 different cities across 18 countries.
